

**Date/Location: 05-11-2025, Discord**

**Attendees:** Zarin Tasnim Rahman (ZTR), Nawar Nooren Orpa (NNO), Md Nasim Taif (MNT), Pranesh Majumdar Tirtha (PMT)

**Start Time:** 10.00 PM

**End Time:** 11.00 PM

**Decisions**

Decided to use Three Tier Architecture (MVC-based) as the main architectural design pattern for the Game Hall Booking System. Decided that the MVC structure will guide file organization, module design and backend logic flow.
